

[Cynthia Owens](#), Speeding and traffic ticket Attorney on Aug 2

Relationship: Fellow lawyer in community

“I endorse this lawyer with any licensing issues. He is dedicated in advocating for those who are disenfranchised by institutions that want to take licenses away or not provide licenses after completion of training. He travels to Austin and outside of Texas in his representation. Excellent knowledge of the law. Bob Bennett has also presented and put together CLE seminars for lawyers that were outstanding. Bennett is a great lawyer to hire.”
