After receiving an unexpected letter from NBME regarding irregular behavior, I was overwhelmed and shocked and unsure how to proceed. Mr Bennett was incredibly kind throughout the process and he offered me tremendous support and guidance when I needed it most. From the beginning, he was 100 percent invested in my case and I felt like he genuinely cared about my issues. Mr Bennett always took my calls and he offered me help whenever I needed it. Furthermore, Mr Bennett understood the seriousness of my case and he immediately took steps to help me. Mr Bennett has extensive experience interacting with NBME/USMLE and he is very knowledgeable. I highly recommend Mr Bennett and he is the best attorney to retain when you need help.
