Bob answered a question I had about applications to the Texas Board of Legal Examiners. I left a message with his office and he replied just an hour or so later, providing excellent, knowledgeable, prompt, and courteous service. I'd happily recommend him to others.

**Robert S. Bennett's response:** *“Over 200 + clients have contacted me about issues usually dealing with their professional license. I generally do not charge for the initial consultation. Business advisors disagree over this but it seems that professional courtesy should prevail if a quick answer can be given. If more is needed, a discussion of hourly rates, flat rates, and total fees can be had. All attorneys are concerned when a client even a lawyer or law student client who thinks they can handle the situation and interface with the opposition. That usually is not helpful. You have the opportunity to call the Texas Attorney who has more positive reviews and positive recommendations from other attorneys than any other attorney in the State of Texas, so why not take advantage of the offer? 832-566-1490. Not often you get an offer like that.”*
