

[Enriqueta Perez](#), Family Attorney on Aug 11, 2017

Relationship: Friend

“I endorse this lawyer. Attorney Bennett is truly a phenomenal attorney who is passionate about the outcome of his cases because essentially the lives of his clients depend on it. I have truly been impressed with his dedication and work ethic regarding his clients and the rigors of each case. He has a level of confidence that puts his client at ease and he strives to achieve favorable results. I highly recommend Attorney Bennett and would absolutely recommend friends and family to retain his services.”
