I retained Mr. Bennett to represent me in front of the Texas BON related to an investigation as well as consultation regarding a negative employment outcome. Mr. Bennett answered my first call and walked me through the process that would take place. He was immediately available throughout the several month processes. I had a favorable outcome with both situations and would work with him again without reservation.

Robert S. Bennett's response: *“Whether it is the Texas Board of Nursing, the Texas Medical Board, an Investigation before the Texas Department of Family and Protective Services, or the Social Board, we are committed to doing an outstanding job in protecting your license. The same applies if you are applying for a professional license. You will see that the Bennett Law Office has more positive reviews in this specialized licensing area than any other law office in the State of Texas. We would welcome your call. rsb”*
