I hired Mr. Bennett to represent me in front of the Texas Board of Chiropractic Examinees regarding a licensing issue. He put together a great case for me under short notice and went above and beyond to make sure this case was successful. Mr Bennett was very professional and understanding of my needs. I would definitely recommend Mr Bennett to anyone who has issues with professional licensing boards.

Robert S. Bennett's response: *“This was a very interesting case because it was the first time the Texas Chiropractic Board had granted a waiver or exception to an out-of-state (country) applicant. My client will now be allowed to sit for the Texas Chiropractic Jurisprudence Examination. The client was able to show why the client was qualified and was fully prepared to explain the client's situation to the Board. Chalk one up for the good guys.”*
