After receiving an irregular behavior letter from USMLE and speaking to a few lawyers, no one had more extensive knowledge in dealing with the situation than Mr. Robert Bennett. Not only did he provide a free consultation he was very easy to contact even though we were in different states. He took the effort to meet with me multiple times in order to prepare. Mr. Bennett even called to congratulate me on the outcome. He was truly the best lawyer for the job and I don't believe anyone could have done it better. I would recommend him to anyone that finds themselves in this unfortunate situation.
