There are very few lawyers in this country that have experience dealing with the NBME/USMLE. In my opinion Bob Bennett is the best of them in terms of how he formulates strategy and in his proactive attitude. I was involved in a dispute with the NBME/USMLE. Bob was the only lawyer who suggested a key aspect of my defense that the other lawyers I interviewed did not even think about. Bob came up with a sound defense plan for me and was a reassuring voice. I highly recommend him for legal services in the healthcare field and especially when dealing with medical boards such as the NBME/USMLE.

**Robert S. Bennett's response:** *"Thanks. Heading back to Philly to represent two clients before the NBME/USMLE - National Medical Board; United States Medical Licensing Exam, and hope we will be successful again. Hearings are March, 2017."*
