

[Alberto Ruiz](#), Personal injury Attorney on Jan 11

Relationship: Fellow lawyer in community

“Bob is a brilliant lawyer with vast experience. He respects his clients and listens to their needs. I was fortunate to do a brief internship with his firm while in law school. As an attorney, I still call him when I have a question or concern. Mr. Bennett is tenacious and he really cares about attaining the best result for his client’s. I highly recommend you consult with him.”
