In the beginning of June 2017, I received a letter from the BOLE stating that they had made a negative preliminary determination due to the fact that my application lacked the Character and Fitness requirements to be a Lawyer in Texas. I received this letter when I was preparing for my 2017 Texas Bar Exam. The letter took a serious hit on my self-confidence. That is when I found Mr. Bennett's handout on "10 Reasons to have an attorney" for the BOLE Hearing.

I am an international student, and I had no intention of hiring an attorney, until I found Mr. Robert S. Bennett's website. It was an interesting website which had plenty of free materials to read. His hand out made me realize that I definitely needed some help to get through the BOLE process. After a lot of hesitation I left a message on the website stating the problem I had with the BOLE. I received a reply from Mr. Bennett within a day and we spoke in length about the issue I had. Over the next couple of months Mr. Bennett was extremely helpful, and most importantly accessible, when it came to reaching him and answering questions about my case. Mr. Bennett helped me build a strong case, he personally spoke to my witnesses who were my law school professors and my current employers regarding my case and gave them accurate information about their positions as witnesses, and coached them as to what type of questions might they be asked in the hearing.

Mr. Bennett coached me thoroughly before the hearing in such a way that no questions that were asked to me by the panel were a surprise. I am so thankful and glad that I made the right choice by hiring Mr. Bennett because my hold was released and my admission to the bar was approved. This was a huge relief for me!

Right through the process I found Mr. Bennett absolutely professional, very supportive, and encouraging. It is hard to find lawyers who have reached great heights in their career yet seem so down to earth, Mr. Bennett is one of them. I 100% recommend anyone out there facing a hearing before the BOLE to hire Mr. Bennett and trust in his experience. He is the best you can find and his rating and reviews are a witness that I am not the only one who feels this way.
